SAGE BUSINESSWORKS

Easy Card Processing integrates seamlessly with your Sage BusinessWorks and Sage Payment Solutions systems.

- Bill customers with a single click
- Accept all major credit cards
- Install in minutes
- Cut processing time by 95%
- Reduce collection headaches
- Includes recurring payments

Easy Card Processing features a super-easy user interface. Search by customer name or ID. Click on invoices to pay.

### Streamline Operations

Forget spreadsheets and paper records. With Easy Card Processing, you simply select customers in Sage BusinessWorks, enter the payment amount, and click. Once the gateway authorizes payment, Easy Card Processing automatically posts the credit card payment to the client's invoice in BusinessWorks.
